*How do I use it? / Comment l'utiliser? / ¿Cómo se usa?*

Wet curls in the shower. Apply a generous amount of cleanser to your scalp and massage with your fingertips. As you begin to rinse, allow the water to help move the No-Poo through the ends. Make sure to rinse thoroughly by massaging your scalp again as the water runs over your curls. Follow with One Condition to lock in the moisture.

Mouillez vos boucles sous la douche. Appliquez une quantité généreuse de nettoyant sur votre cuir chevelu et massez du bout des doigts. Pendant le rinçage, laissez l'eau faire glisser le produit jusqu'aux pointes. Puis, rincez abondamment en massant à nouveau le cuir chevelu. Appliquez ensuite le soin One Condition pour préserver l'hydratation du cheveu.

Humedezca el cabello en la ducha. Aplicar una cantidad generosa de limpiador en el cuero cabelludo y masajear con la yema de los dedos. Comenzar a enjuagar dejando que el agua arrastre el producto hacia las puntas.
