

**NOTICE OF THE CERTIFICATION AND SETTLEMENT APPROVAL HEARING IN THE
MATTER OF THE 2008-2009 HONDA ACCORD AND 2009 ACURA TSX CLASS ACTION**

Read this Notice Carefully as it May Affect Your Rights

TO:

Canadian residents who own or lease, or have previously owned or leased, as first users, a 2008 or 2009 Honda Accord **OR** a 2009 Acura TSX (the “Settlement Class Member(s)”) c

(9134-9258 Québec Inc. v. Honda Canada Inc. & al., the “Proceedings”). Subject to the approval of the Superior Court of Québec (the “Court”), the action has been settled with Honda Canada Inc. (“Honda”). 9134-9258 Québec Inc. (the “Petitioner”) will seek a confirmation of the Settlement of the Proceedings. A hearing to approve the Settlement Agreement and to approve the fees and disbursements plus applicable taxes of Consumer Law Group Inc. (“Class Counsel”) will be held on **MAY 6, 2016 at 9:30 A.M.** in room 2.08 at the Montréal Courthouse located at **1, rue Notre-Dame East, Montréal, Québec** (the “Approval Hearing”). As per the terms of the Settlement Agreement, the Petitioner will discontinue the Proceedings against Honda Motor Co., Ltd.

This Notice informs the Settlement Class Members of the Proceedings and the Settlement, and describes their rights, options and choices. This Notice and the Settlement Agreement in its entirety are posted on Class Counsel’s website at www.clg.org.

B. Nature of the Lawsuit

In 2010, Proceedings were initiated in Québec by Class Counsel on behalf of Canadians who own or lease, or have previously owned or leased, as first users, a 2008, 2009 or 2010 Honda Accord or a 2009 or 2010 Acura TSX. The Proceedings allege that the braking system of these vehicles suffers from a defect that causes excessive force to be applied to the rear wheels and that this results in the rear brake pads wearing out prematurely and requiring replacement. Honda does not admit and expressly denies the allegations of the Proceedings.

C. Settlement

1. Terms of Settlement

Starting in or around January 2010, Honda launched a Customer Satisfaction Campaign (the “Program”) applicable to Canadian residents owning or leasing, or previously owning or leasing, as first users: (1) a 2008 or 2009 Honda Accord and (2) a 2009 Acura TSX, (the “Vehicles”). Under the Program, if any of the Vehicles’ rear brake pads required

replacement, Honda agreed to install new brake pads or, if necessary, replace rear brake callipers, which included the new brake pads, at no charge. If the Vehicles' rear brake pads had already been replaced and if the owner/lessee paid for a part or all of the related work, he/she became eligible for reimbursement from Honda for 50% of the amount paid, up to a maximum amount of CAN \$125.00, by mailing to Honda an *Application for Reimbursement* and supporting documentation by July 5, 2010. See Schedules A and B for more details on the Program.

The Petitioner accepted the Program as a settlement of the Proceedings, including the fact that owners and lessees of 2010 Honda Accord and 2010 Acura TSX models did not receive benefits under the Program. A total of 21,607 owners and lessees of 2008 and 2009 Honda Accord models and a total of 1,921 owners and lessees of 2009 Acura TSX models received benefits under the Program. The benefits under the Program were granted to Settlement Class Members at the Petitioner's full and complete satisfaction. The Program ended on January 15, 2014 and no additional benefits will be offered by Honda or by anyone else.

Honda also agreed to pay an amount of CAD \$15,000.00 to the Montreal Children's Hospital Foundation.

Honda did not admit any wrongdoing or liability in connection with the Proceedings and has denied all allegations of wrongdoing or of liability contained in the Proceedings.

2. The Approval Hearing

The Petitioner recommends that the Proceedings be settled. The Settlement Agreement remains, nevertheless, subject to approval by the Court. A motion to approve the Settlement Agreement will be heard by the Court on MAY 6, 2016 at 9:30 A.M. in room 2.08 at the Montréal Courthouse located at **1, rue Notre-Dame Est, Montréal, Québec**. At this Approval Hearing, the Court will determine whether the Settlement is fair, reasonable and in the best interests of the Settlement Class Members. The time, date and location of the Approval Hearing may be changed by the Court without further notice to you. If you plan to attend the Approval Hearing, you should confirm its time, date and location by contacting Class Counsel.

You are entitled to appear and make submissions at the Approval Hearing. If you do not oppose the proposed Settlement, you do not need to appear at the Approval Hearing or take any other action at this time.

If you wish to comment on or make an objection to the Settlement Agreement, you must serve a written submission to Class Counsel and to Honda's counsel ("**Defence Counsel**") at the addresses listed below by no later than **30 days** after receipt of this Notice. Class Counsel will file all such submissions and all filed written submissions will be submitted to the Court. If you do not deliver a written submission by the deadline, you may not be entitled to participate, through oral submissions or otherwise, in the Approval Hearing. If you object and the Settlement is approved, you will be barred from bringing a legal proceeding in respect of any allegations asserted in the Proceedings and you will be bound by the judgment approving the Settlement.

Customer Satisfaction Campaign: Rear Brakes

Dear Honda Accord Owner:

Honda Canada has decided to undertake a Customer Satisfaction Campaign that applies to the rear brakes of your 2008-2009 Honda Accord. We wish to assure you that this action is being taken as a customer satisfaction measure and not due to safety concerns. We request that you follow the instructions in this letter in order to secure the service described for your rear brakes, at no cost to you, or to obtain reimbursement for past rear brake repairs described in this letter.

Check your VIN

We try to ensure that our records are complete but sometimes they are not. Please check the 17-digit Vehicle Identification Number (VIN) at the top of this letter to ensure that it matches the 17-digit VIN on the lower driver's side corner of your vehicle's windshield or on the driver's side door jamb sticker. If it does not, please contact our Customer Relations Department and a representative will verify whether your vehicle is in fact included in this Customer Satisfaction Campaign. If you no longer own this vehicle, or some information in this notice is incorrect, please fill out and return the included postage paid Information Change Card or forward this notice to the new owner if possible.

What is the issue?

Honda Canada wishes to address the possibility that certain driving habits or conditions in Canada may cause premature rear brake pad wear. As stated in your Owner's Manual, the disc brakes on your vehicle are equipped with audible brake pad wear indicators. If you hear a distinct, metallic screeching sound when you apply the brake pedal, this is a signal that your brake pads need replacing. If you do not have the brake pads replaced, they will begin to screech continuously. (Note that it is normal for the brakes to occasionally squeal or squeak when you apply them - that is not the more sustained sound we are describing here.)

What should you do?

When your rear brake pads require replacement, as signalled by a consistent screeching sound, please contact your authorized Honda dealer to schedule an appointment. If your rear brake pads need to be replaced, new brake pads will be installed or, if necessary, your rear brake calipers which include the new brake pads will be replaced, at no charge. This service work will typically take less than a day.

What if you have already paid to have your rear brake pads replaced?

If the rear brake pads on your vehicle have already been replaced and you paid for some or all of the related work, you may be eligible for reimbursement from Honda for a portion of what you paid.

Please refer to the enclosed Reimbursement Form for information on how to determine eligibility, what supporting documentation is required and how to calculate the amount of the reimbursement.

Time Limit

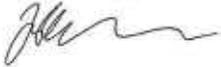

Your vehicle is eligible for the benefits under this Campaign for a period beginning three years from the date the vehicle was first purchased or leased as a brand new vehicle from a Canadian Honda dealer. After that date, your vehicle will no longer be eligible under this Campaign.

Who to contact if you need more information?

If you would like more information, require assistance locating a Honda Dealer or have any concerns regarding any work done under this campaign, please contact Honda Canada's Customer Relations Department at the telephone number or address below, or visit our website at www.myhonda.ca.

We thank you for your co-operation.

Sincerely,

Jerry Chenkin
